Hi All,

I've been in discussions with many of you about these events and I have been coordinating with Kevin regarding the RAP portion of the presentation but I wanted to make sure everyone was aware and invited to these two events:

Pershing Square Renew Community Outreach Meeting  
Thursday, Feb. 12th, 4:00-7:00 PM  
Bugis Street Brasserie at the corner of 5th and Olive

This meeting is geared towards community groups in DTLA and is the precursor to a larger DTLA-wide community outreach effort. Groups invited include the Pershing Square PAB, PS Renew Taskforce, CCA, the BIDs, DLANC, LACAN, ULI, Historic Core Merchants Association, CD 14 DTLA Film Committee, CD 14 Resident Taskforce, LA Chamber of Commerce, Pershing Square Farmers Market etc.

RAP and PS Renew will both make introductory remarks and the bulk of the program will be facilitated by Project for Public Spaces (<http://www.pps.org/>) The goal of the meeting is to simply elicit community input about how people want to use Pershing

Square in the future that will help inform design. The flier for this event is attached.

**Subject:** Invitation to Pershing Square Community Forum -- co-hosted by City of LA and Pershing Square Renew

Hi Jessica,

I am writing to invite the Downtown Center BID to participate in this community forum – being co-hosted by the LA City Department of Rec and Parks and Pershing Square Renew ([www.pershingsquarenew.com](http://www.pershingsquarenew.com)) – to discuss Pershing Square's future. Our hope and intention is to draw a balanced and representative group of downtown residents and businesses to engage in an interactive exchange about what is possible at Pershing Square.

The forum will be facilitated by Project for Public Spaces ([www.pps.org](http://www.pps.org)), who is one of the recognized leaders in advocating for and initiating the development of great public spaces around the world.

To ensure a balanced group, we are asking each group to bring a specific number of people. **We invite the Downtown Center BID to send as many as 4 individuals from your group to participate in the forum.**

Please send us your RSVPs by Wednesday, February 11<sup>th</sup>, so that we can know who from your group to expect.

**Subject:** FYI - CCA Mtg tomorrow

Good Afternoon Sir,

I wanted to follow up on something that I had asked Javier to brief you about at Crime Control this week. Tomorrow between the hours of 1130-1330 CCA will be hosting a meeting across the street from central station at the star apartments. Carol is concerned about possible demonstrations at the meeting. We have no intel at this time to believe that there are any planned, but I wanted to make sure that you are aware of the meeting and ask if a unit could swing by for presence during that time period.

We will be staffing our security team (in suits) outside to direct attendees to the meeting location, they will be stationed on Maple and on 6<sup>th</sup> (Parking is on Maple south of 6<sup>th</sup>). We also will not be posting any signs announcing the meeting outside of the location. Any assistance you can lend to this, would be greatly appreciated. Thanks for your time.

## NOTIFICATION OF NEW ENTITLEMENT APPLICATIONS – EARLY NOTIFICATION REPORT

To: Business Improvement District (BID) Contacts

From: Haydee Urita-Lopez, BID Liaison

Subject: LA City Planning BID Case report

Attached is the Planning Department's bi-weekly Early Notification Report for Business Improvement Districts (BID's). The purpose of this report is to provide BID's with the earliest possible information about all applications for planning entitlements that have been filed in your BID area, even though not all applications are complete and some cases may eventually be withdrawn. Included in the report is contact information about the applicant so your BID can obtain more information about the project very early in the process. A separate report is shown for each BID. You will see that the report is provided in PDF and Excel formats.

The information in the report is sorted by BID. If there are any questions, please contact Haydee Urita\_Lopez at [\(213\) 978-1162](tel:2139781162) or [Haydee.Urita-Lopez@lacity.org](mailto:Haydee.Urita-Lopez@lacity.org).

**Subject:** Invitation to Pershing Square Community Forum -- co-hosted by City of LA and Pershing Square Renew

Hi Jessica,

I am writing to invite the Downtown Center BID to participate in this community forum – being co-hosted by the LA City Department of Rec and Parks and Pershing Square Renew ([www.pershingsquarenew.com](http://www.pershingsquarenew.com)) – to discuss Pershing Square's future. Our hope and intention is to draw a balanced and representative group of downtown residents and businesses to engage in an interactive exchange about what is possible at Pershing Square.

The forum will be facilitated by Project for Public Spaces ([www.pps.org](http://www.pps.org)), who is one of the recognized leaders in advocating for and initiating the development of great public spaces around the world.

To ensure a balanced group, we are asking each group to bring a specific number of people. **We invite the Downtown Center BID to send as many as 4 individuals from your group to participate in the forum.**

Please send us your RSVPs by Wednesday, February 11<sup>th</sup>, so that we can know who from your group to expect.

Hi Jessica,

I am writing to invite the Downtown Center BID to participate in this community forum – being co-hosted by the LA City Department of Rec and Parks and Pershing Square Renew ([www.pershingsquarenew.com](http://www.pershingsquarenew.com)) – to discuss Pershing Square's future. Our hope and intention is to draw a balanced and representative group of downtown residents and businesses to engage in an interactive exchange about what is possible at Pershing Square.

The forum will be facilitated by Project for Public Spaces ([www.pps.org](http://www.pps.org)), who is one of the recognized leaders in advocating for and initiating the development of great public spaces around the world.

To ensure a balanced group, we are asking each group to bring a specific number of people. **We invite the Downtown Center BID to send as many as 4 individuals from your group to participate in the forum.**

Please send us your RSVPs by Wednesday, February 11<sup>th</sup>, so that we can know who from your group to expect.

Michelle and Billy,

Our many thanks for meeting with us this week. We gleaned invaluable information from our conversation with you and your insightful thoughts and comments will help shape our initiative. We appreciate you taking the time and look forward to working in partnership with you on Get Urban. Below are a few follow up questions/comments that we could use some assistance with if you have the time:

- Am I able to have a list of the **Tech Council members** and contact info if possible?
- You both mentioned a few names of the **brokers that are heavily involved in the creative office market** (ie. Dave Tumi and others from JLL). Can you let me know the names? I caught a few, but not most of them
- Michelle, we would love some **quotes from you on connectivity** that we might use in collateral, etc. You stated a few things, to which Suzanne responded regarding their importance as a “sound bite” for our initiative
- Can you provide us some **formal language (or a link) on the two incentives**:
  - 1. 3 year tax holiday for new business
  - 2. creatives being placed the lowest tax bracket
- Outline of **“Downtown” specific incentives** (Billy said he’d send us this):
  - Messaging
  - Initiatives
  - #s of business
  - resources
- Downtown **connectivity speeds**
- Elaboration on your **team’s 5 points of focus** (Do you have powerpoint or other presentation?):
  - Cultivating local investment
  - Attracting and retaining talent
  - Addressing the digital divide
  - Branding and awareness
  - Civic innovation
- Can you share any details on Mayor’s SXSW and Silicon Valley visits; perhaps how he is promoting Downtown if at all, and anything that might be of interest/helpful to us
- Name and contact info for the **Chief Tech Officer and Chief Data Officer**
- How many **pieces of collateral booklet** would you like us to provide to you for SXSW and/or Silicon Valley?
- May we have contact info for those on the Mayors Business Team (MBT) to **invite to our launch event, March 26<sup>th</sup>, 5pm at CBRE**. Please confirm if someone (Mayor? Peter Marx?) is available to speak.

Thank you again and we look forward to collaborating.

Hello! Happy President's Day!

Sorry for the late notice, but there will be a Groundbreaking event this Friday morning at 10:30 to celebrate the official kick-off of the construction phase of the 6th St Viaduct. Although the actual bridge won't start coming down until the summer, we're now moving out of just design & engineering and moving into actual construction (starting with intersection improvements to help traffic flow, etc).

We would love your help in getting folks out to celebrate with us. Please feel free to share this blurb with your email list, etc. Thanks in advance for your help and hope to see you on Friday:

The Sixth Street Viaduct Replacement Project has begun! Please join Councilmember Jose Huizar, Mayor Eric Garcetti, Congressman Xavier Becerra, State Senate President pro Tem Kevin de Leon, Assemblymember Miguel Santiago, local community leaders, and public officials as they celebrate the groundbreaking of this momentous project. The \$422 million dollar bridge, designed by world renowned architect Michael Maltzan, will replace the existing structurally deficient Viaduct with a state of the art iconic bridge that will not only include facilities for bicyclists and pedestrians, but will also include a soccer field and an arts plaza.

Date: Friday, February 20th

Time: 10:30am

Location: 600 S. Mesquit St., Los Angeles, CA 90021 (under the existing viaduct)

Please RSVP to [nate.hayward@lacity.org](mailto:nate.hayward@lacity.org)

Thanks!!

## BROADWAY BECKONS

Dear friends, we have been loving hearing from so many Angelenos who enjoyed Night on Broadway, and who want to know about other opportunities to experience and explore Broadway's amazing historic theatres. Well, we have good news for you below...enjoy!

---

Our friends at the [Los Angeles Historic Theatre Foundation](#) invite you to an Oscar-night celebration like none other at Broadway's historic [Million Dollar Theatre](#)!

On [Hollywood's Biggest Night](#) - this Sunday Feb. 22 - enjoy a live telecast of the awards projected onto the big screen - what could be more fun?

Walk the red carpet with friends. Dress up in your finest, or deck yourself out as your favorite star of the silver screen.

Event will occur rain or shine and will feature costume contests, games, prizes and custom cocktails. We also recommend stopping by Broadway's [Grand Central Market](#) right next door to the theatre for a bite to eat before the soiree!

Doors: 4pm (3:30 for VIP Ticket Holders)  
Awards Telecast: 5:30pm. Tickets \$30 / \$50 VIP.  
Grand Central Market open until 6pm

The [Los Angeles Conservancy](#)'s amazing "[Last Remaining Seats](#)" series is back again for its 29th year, screening classic films in historic movie palaces! If you attend all the screenings, you'll get to see five of Broadway's gems, with an audience full of film buffs, the way they were meant to be experienced.

Tickets for the 2015 season of Last Remaining Seats will go on sale to Conservancy members on Wednesday, March 25 for \$16, and the general public on Wednesday, April 8 for \$20. Mark your calendar - they always sell out! (Pro tip: become a Conservancy member now, save on tix later!)

Each screening includes a Q&A with filmmakers, actors or others involved with the film, or other special surprises that make each evening very special.

NOTIFICATION OF NEW ENTITLEMENT APPLICATIONS – EARLY NOTIFICATION REPORT

To: Business Improvement District (BID) Contacts

From: Haydee Urita-Lopez, BID Liaison

Subject: LA City Planning BID Case report

Attached is the Planning Department's bi-weekly Early Notification Report for Business Improvement Districts (BID's). The purpose of this report is to provide BID's with the earliest possible information about all applications for planning entitlements that have been filed in your BID area, even though not all applications are complete and some cases may eventually be withdrawn. Included in the report is contact information about the applicant so your BID can obtain more information about the project very early in the process. A separate report is shown for each BID. You will see that the report is provided in PDF and Excel formats.

The information in the report is sorted by BID. If there are any questions, please contact Haydee Urita\_Lopez at (213) 978-1162 or [Haydee.Urita-Lopez@lacity.org](mailto:Haydee.Urita-Lopez@lacity.org).

Jamaal,

Great meeting you as well.

Yesterday I mentioned that LAMC 41.18(b) might be appropriate. Upon further reading, I believe I was wrong and that we are left with 41.18(d) with the limitation of the Jones' decision which allows sleeping on the sidewalk between 9:00 PM to 6:00 AM.

Below are the two sections:

SEC. 41.18. SIDEWALKS, PEDESTRIAN SUBWAYS – LOITERING.

(b) No person shall loiter in any tunnel, pedestrian subway, or on any bridge overpass, or at or near the entrance thereto or exit therefrom, or at or near any abutment or retaining wall adjacent to such entrance or exit, or any retaining wall or abutment adjacent to any freeway, street or highway open and used for vehicular traffic, or adjacent to that portion thereof used for vehicular traffic, or on any public property in the proximity of such bridge, overpass, or retaining wall or abutment.

(d) (Amended by Ord. No. 137,269, Eff. 10/21/68.) No person shall sit, lie or sleep in or upon any street, sidewalk or other public way.

Hello All,

Thank you for meeting with me today in regards to the Lower Grand homeless issue we are experiencing at Wells Fargo Center. As mentioned I will reach out to Brookfield Management to see if we can secure the dumpster space with a gate. This will help keep the suspicious activity down behind and around the dumpster.

Sean- Please help us with the lighting in the area. Maybe DWP has a department that can assist with the lighting.

Ken- We will need assistance with the IRS trash bins parked in the red zone of Lower Grand. As we discovered these trash bins block view of the sidewalk which potentially hides suspicious activity from BID or Law Enforcement.

Kurt- It was great meeting you. It was great learning we can possibly enforce 41.18d LAMC with the homeless population at Lower Grand. This enforcement along with lighting the area should help improve Lower Grand.

Again thank you all for your help.

## NOTIFICATION OF NEW ENTITLEMENT APPLICATIONS – EARLY NOTIFICATION REPORT

To: Business Improvement District (BID) Contacts

From: Haydee Urita-Lopez, BID Liaison

Subject: LA City Planning BID Case report

Attached is the Planning Department's bi-weekly Early Notification Report for Business Improvement Districts (BID's). The purpose of this report is to provide BID's with the earliest possible information about all applications for planning entitlements that have been filed in your BID area, even though not all applications are complete and some cases may eventually be withdrawn. Included in the report is contact information about the applicant so your BID can obtain more information about the project very early in the process. A separate report is shown for each BID. You will see that the report is provided in PDF and Excel formats.

The information in the report is sorted by BID. If there are any questions, please contact Haydee Urita\_Lopez at [\(213\) 978-1162](tel:2139781162) or [Haydee.Urita-Lopez@lacity.org](mailto:Haydee.Urita-Lopez@lacity.org).

**Subject:** Immigration March this Saturday February 28, 2015

This is to notify you that this Saturday February 28th, a permit has been issued to the group "Full Rights for Immigrants" in order to conduct a political march on Broadway in support of currently contested President Obama's Immigration policy.

The participants will gather on Broadway south of Olympic Bl from Noon until 1:30 PM. At 1:30, they will begin marching northbound behind a sound truck. The march will continue north and conclude on Broadway between Temple and First Street (approx time 2:45 PM) At that point they will rally for approx 30 minutes, then disperse from that location.

LAPD and Dept of Transportation Officers will facilitate a "rolling closure" along the route, and safely open the streets as the group passes. **Broadway and the crossing streets from 11th to First Street will therefore be closed sporadically from Noon to 3:30**

According to the organizer, this march and rally will continue despite the rain in the forecast.

Please plan accordingly and share this closure information with any person who may be affected.

Thank you,

Dear Marie and Nick,

We're wondering if you (CCA and / or DCBID) would kindly provide a letter of support for the Broadway Dress Rehearsal Existing Conditions Report nomination for the 2015 SCAG Sustainability Awards.

You might recall The Broadway Dress Rehearsal Existing Conditions Report is one of the benchmarks by which we're going to measure the success of the Dress Rehearsal and ultimately the Streetscape Master Plan, when we do the followup comparison report later this year. LADOT is heading it up for us.

You can review the report here:

<http://peoplest.lacity.org/broadway-dress-rehearsal-existing-conditions-report-now-available/>

The award criteria and info is here:

<http://sustain.scag.ca.gov/Pages/Awards.aspx>

You might wish to highlight some of the findings of the study:

- \* Pedestrians outnumber vehicles on Broadway - the plan prioritizes people over vehicles and report will provide metrics to determine success and the need for future modifications.
- \* Documented the great variety and quantity of sidewalk activity along Broadway
- \* Quantified the need for streetscape safety interventions at key intersections

This application is due this next Tuesday... it was just brought to our attention and we think we're a good fit, so we're going for it.

Sorry for the tight turn around, but we would love to include a letter of support from you. We would like letters by MONDAY AT NOON. Kevin Ocubillo in our office is putting it together.

It can be just a simple letter highlighting the above and anything else you'd like to add on your letterhead via PDF.

LETTER SHOULD BE ADDRESSED TO:

SCAG 2015 Sustainability Awards Panel  
818 West 7th Street, 12th Floor  
Los Angeles, CA 90017

We hope you can join Councilmember Huizar in support of this nomination.

Let me know, and thanks for your consideration!

PS: a previous letter for a different grant is attached. This is a different focus, but at least it's a reference for you.

THANK YOU!

Jessica

RE: Call for Projects – Broadway Streetscape Master Plan Implementation

Dear Mr. Leahy,

Established in 1924, Central City Association (CCA) is Los Angeles' premier business advocacy association whose 450 members employ over 350,000 people in the Los Angeles region. On behalf of our members, I am writing to urge Metro's support of the Broadway Streetscape Master Plan in the Call for Projects Grant.

Downtown Los Angeles residents, visitors, and businesses along Broadway from 2<sup>nd</sup> Street to Olympic Boulevard will benefit from the implementation of the Streetscape Master Plan. Planned upgrades to improve pedestrian visibility and safety include sidewalk extensions, lighting improvements and the street planting of new trees. From an economic standpoint, this will attract new businesses and residents to the historic Broadway corridor and to the ongoing revitalization of the area as a distinct commercial, retail and entertainment center.

CCA is committed to transforming Downtown Los Angeles into a thriving community, and we believe the Broadway Streetscape Master Plan will contribute significantly to that continued renaissance of our city center. Working alongside the Bringing Back Broadway Initiative, we look forward to seeing the end results of this project. CCA is confident that the current proposal will significantly alter the pedestrian experience along Broadway, offering a multi-modal, pedestrian-focused street experience that will support a thriving, revitalized historic theatre district

If you have any questions, please contact Anh Nguyen, CCA's Senior Director of Legislative & Legal Affairs, at (213) 624-1214.

We will make sure that you are on the mailing list going forward. Can you please confirm the address to where they should be mailed?

Thanks so much.

Good morning to all;

I trust that you are doing well. I am emailing you in efforts to coordinate a meeting with Captain Oreb and Captain Graham in efforts to discuss and address concerns and recent crime spikes in our area related to possible alcohol consumption related to ABC venues in our area.

I am requesting that all of our Land Use Consultants contact your clients whom own-operate any ABC locations in our area to be included in this meeting. It is important that these folks be included and attend.

I anticipate setting up this meeting as soon as possible and would appreciate your assistance with this request. The location would be our Police Station roll call room located at 256 E. 6th Street, 2nd floor.

Please send me your availability as soon as possible. If you have any questions, please do not hesitate and contact me. I appreciate your cooperation in this matter.

Regards,

Maria

Good morning to all;

I trust that you are doing well. I am emailing you in efforts to coordinate a meeting with Captain Oreb and Captain Graham in efforts to discuss and address concerns and recent crime spikes in our area related to possible alcohol consumption related to ABC venues in our area.

I am requesting that all of our Land Use Consultants contact your clients whom own-operate any ABC locations in our area to be included in this meeting. It is important that these folks be included and attend.

I anticipate setting up this meeting as soon as possible and would appreciate your assistance with this request. The location would be our Police Station roll call room located at 256 E. 6th Street, 2nd floor.

Please send me your availability as soon as possible. If you have any questions, please do not hesitate and contact me. I appreciate your cooperation in this matter.

Regards,

Maria

Jessica,

Do you track information like the following or are you looking into that from a regional perspective?

Is tech or any other industry in downtown growing faster than in any other neighborhood, or is it commensurate with other parts of L.A.?
